SUBJECT: FILING DEADLINES FOR NOVEMBER 7, 2006 GENERAL ELECTION

Carefully read this memo to determine if the described filings are required of your committee.

Each Political Party Committee registered on the state level that 1) received or expended \$20,000.00 or more in 2006 or 2) expects to receive or expend \$20,000.00 or more in 2006 is required to file electronically. Committees may apply for MERTS Plus software on line at the MERTS Plus web site: www.mertsplus.com.

Campaign Statement Filing Deadlines

- I. **The Post-General Campaign Statement**, due December 7, 2006, covers the committee's financial activity through November 27, 2006.

Your committee must file the Post-General Campaign Statement if between October 23 and November 27 the committee participated in the election by 1) making an expenditure to support or oppose a candidate whose name appears on the ballot or is a write-in candidate in the election 2) making an expenditure to support or oppose a ballot question on the ballot or 3) making an expenditure for a get-out-the-vote activity related to the election.

Campaign Statement Coverage Dates

A Campaign Statement's opening date is the day after the closing date of the last Campaign Statement filed by the committee. If the committee has never filed Campaign Statements, the opening date of the first Campaign Statement filed is the earlier of the following two dates: 1) the committee's formation date or 2) the date the committee accepted its first contribution or made its first expenditure.

Campaign Statement Forms

Campaign Statement and instructions are available on the Department of State's website <www.michigan.gov/sos>.

Timely, Accurate Campaign Statements Required!

- If the committee raised **\$10,000.00 or less** during the previous two years, a \$25.00 late filing fee will be assessed each business day the Statement remains unfiled up to \$500.00.
- If the committee raised **more than \$10,000.00** during the previous two years, the maximum late filing fee, which can be assessed, is increased to \$1,000.00. The fee is assessed as follows:
 - (a) \$25.00 for each business day the Statement remains unfiled.
 - (b) An additional \$25.00 for each business day after the first three business days the Statement remains unfiled.
 - (c) An additional \$50.00 for each business day after the first 10 business days the Statement remains unfiled.
- Campaign Statements that are hand delivered, sent by first class mail or submitted electronically via the Internet must reach this office before 5:00 p.m. on the due date. Committees must be sure to allow ample mailing time if sending a filing by first class mail.
- A Post-General Campaign Statement that is mailed by registered mail, certified mail or an overnight delivery service and postmarked on or before the filing deadline will be viewed as a timely filing regardless of when it arrives.
- Be sure to fill out all forms as accurately as possible. Notices will be sent to the committee if forms are omitted, figures are wrong, addresses are incorrect, etc. The committee is then required to file an amendment to correct the error(s).
- A Campaign Statement will not be accepted if it is illegible, does not bear a proper signature, is not the proper size, or is presented in a computer format that has not been approved by the Department of State's Bureau of Elections.
- Political Party Committees must file one original copy of each required Campaign Statement.

Reporting Waiver Provisions

A committee that does not expect to receive or spend more than \$1,000.00 in a calendar year is eligible for a Reporting Waiver. A committee that qualifies for, and receives, a Reporting Waiver is exempt from filing Campaign Statements.

- To become eligible for a Reporting Waiver, the committee must check item 10 on its Statement of Organization. This tells the filing official that the committee does not expect to receive or spend more than \$1,000.00 in a calendar year. The committee can

check item 10 on its original Statement of Organization or on an amendment to its Statement of Organization.

- A committee that does not check item 10 on its Statement of Organization is not eligible for a Reporting Waiver. This means that the committee must file Campaign Statements regardless of the amount received or spent during the reporting period.
- A committee loses its Reporting Waiver if it receives or spends more than \$1,000.00 in a calendar year. Note that funds leftover at the end of the year count toward the amount received for the next calendar year. If the Reporting Waiver is lost, the committee must file the next required Campaign Statement.

Statement Of Organization

A committee registered under Michigan's Campaign Finance Act is required to amend its Statement of Organization if any information presented on the form changes (**this includes new treasurers**). Required amendments to the form must be file no later than the due date of the next upcoming Campaign Statement required of the committee. Therefore, if your committee is required to file the Post-General Campaign Statement, we urge you to review your committee's Statement of Organization before you file the Campaign Statement. If any information on the Statement of Organization has changed, be sure to file an appropriate amendment to the form no later than December 7, 2006.

Identification Requirement

The Michigan Campaign Finance Act requires PAC's, Ballot Question Committees and Political Party Committees to include an identifier on printed matter or in paid radio or television advertisements. The following wording is required: "Paid for with regulated funds by (name and address of committee)."
